with the new HL7 attachment templates.

***Speakers:***

*Durwin Day, Health Care Service Corporation, moderator*

*Additional speakers to be announced*

**12:20 PM - 1:30 PM**

**Networking Plated Luncheon**

**1:30 PM – 3:15 PM**

**Pre-Pay/Post-Pay**

This session will analyze the differences between attachments for prepay versus post pay. The first part of the session will focus on prepay attachment requirements in an attempt to identify what is truly needed for processing. For example: where does the information reside within the provider's office? The second part of this session will cover post pay attachment requirements, which can be very different from prepay. The required information may be the same or it could be completely different.

***Speakers:***
